

BMF Rock School Inc

A rock school program for aspiring young musicians!

Proudly supported by -

BMF rock school is back in an exciting new format!

While the original school holiday three day program format was fun, it only gave students a very short time to really gel as a band. **So, BMF rock school is returning in 2022 as a whole new term based, after school rehearsal program for young people aged 8 to 18 years.**

BMF Rock School is first and foremost, a performance oriented program aimed at aspiring young musicians who wish to learn to take their craft to the stage and play in a band with other fantastic young musicians.

Over the course of the school term, BMF Rock School bands will rehearse together for an hour after school once per week. During this time, they will become familiar with their bandmates as musicians, learn how to really perform together as a group and hone their showmanship skills.

Auditions are run on a regular basis and our aim is to make the audition day a fun, comfortable and supported experience for everyone. Skilled, friendly and supportive staff will ensure all participants are allocated into the band that best suits them, each with a regular after school rehearsal day. Each band will have limited numbers with students encouraged to fully participate by naming their band helping developing their song lists and working together as a team.

At the end of each term, all Rock School bands will come together for a fun filled grand performance concert with all their peers and to a full audience, showcasing their stagecraft and synergy as well rehearsed and dynamic young groups.
